XMTR HUNT

Due to the untimely, but welcome rain, the regularly scheduled xmtr hunt for Feb.6 was postponed until Feb 20. Chas, QCH, will hide, and those wishing to participate in the hunt will meet at the south end Olmos Park & start promptly at 1:30 PM. Have your loop ready. We need YOU. Why not attend the picnic after the xmtr hunt ? Bring your family and chow. Makes swell "second meeting"

DX

Looks like the CW portion of the DX contest, Feb.25,26,27 will be rather good. Stations heard lately include TI9HMB rarely heard on 20 & 40, JZ0, HKO & VQ8. Here's hoping the local CW fans have good reports and contacts.

---

We hope that those of you who receive Gutter Dope will forgive us for all the errors. Again we say--if you have anything at all--about local "hams" good or bad, send it to us. If you know someone who should receive the NEWS, and is not on the mailing list, please notify the Editors. THANKS!

Emergency Net

Frances, W5KQG, NCS for radio club net, says that there is a very small percentage of the mobiles checking in. It takes but a few minutes to call the roll, which is at 6:00 PM every Thursday. Let's build up a net the club can be proud of.
